

# Elektrotechnik Karl-Heinz Mauz GmbH

UPF-76Q-220 (Artikel-Nr. 850300)

**EKULIT**

***SPECIFICATIONS:***

TYPE	UNIT	UPF-76Q-220
Amplitude	mm	20±3 at 220V/50Hz
Static Electric Capacity (C)	nF	9±20% Digital electric bridge (120Hz/1V/25°C, without impedance)
Operating Frequency	Hz	50±2
Operating Voltage (AC)	V	220±10
Max. Operating Voltage (AC)	V	250
Operating Temperature	°C	-20~+80
Storage Temperature	°C	-30~+85

Main Characteristics: low energy consumption, simple structure which can be installed in small room, no noise released, no electromagnetic interference to other electric products, and have a strong ability of anti-electromagnetic interference.

**DIMENSIONS :**

(Unit: mm)

Adresse: Felix-Wankel-Str. 35 • 73760 Ostfildern/Nellingen
